Bolopue Renews Commitment With Sherco USA

By *Shan Moore* on March 17, 2014

Top Pro Trials rider Logan Bolopue has renewed his commitment with Sherco USA, importers of Sherco Trials Motorcycles, signing a two-year deal to compete in all eight rounds of this year's AireS NATC/AMA MotoTrials National Series.

Bolopue originally signed with Sherco in 2010 and has been on the Sherco USA team ever since. In 2010 the Pennsylvania rider won both the East and West youth championships as well as the 125 Expert class in the NATC/AMA MotoTrials Nationals. In 2011, Bolopue won the Expert class in the NATC/AMA Mototrials Nationals, defeating seven-time Expert Champion Ray Peters. In 2012, after moving into the highly competitive Pro class he finished an impressive seventh in his rookie year. In 2013 in only his second year as a Pro class competitor he jumped to third place for the year. This year, he is poised to be a real threat for the AireS NATC/AMA Mototrials Championship.

"It is great to be able continue with Logan on his quest for a Pro championship, we have been together throughout his National career and we hope to see him win his first National event this year," says Ryan Young, Team Manager of Sherco USA and himself a six-time national champion.
